

Upper Division Communication Theory Permission to Register Form

Please attach a SAPR and an unofficial copy of transcripts for transfer coursework. College Algebra, Comm 101, 228, and 300 must be completed (i.e. have final grades) before permission can be given. A 2.5 GPA between Comm 101 and Comm 228, with a minimum grade of C in each of them, is required.

Important Notes

If math was taken outside of the state of Arizona, the UA Math Department evaluation is required before you can be released to register.

You only need to complete this form one time, not every semester.

After permission to register is given, you need to register for the courses using WebReg. Being released to register does not guarantee a seat.

Student Name _____

Student ID _____ Today's Date _____
